- Average 71.2% to date (First Class)

Mesa School of Business — Bengaluru, India
Undergraduate Programme in Entrepreneurship (concurrent) — Aug 2025 – Oct 2029
- GPA 3.78 / 4.00; selective cohort of 100 that learns by building and running real businesses

Choithram School North Campus — Indore, India
- Class XII (CBSE, Commerce): 74.4% (2024); Class X (CBSE): 84.0% (2022)

PROFESSIONAL EXPERIENCE

Kyra — Bengaluru, India
Founding Member, women-led ride-hailing startup — Jan 2026 – Present
- **January pilot:** ran the first pilot with zero ad spend, turning 500+ inbound leads into 100+ paying customers
- **Rider app:** 2,300+ organic downloads and 1,100+ booking attempts with zero ad spend
- **Driver app:** ~450 organic downloads; track each step of the six-step driver signup to fix where drivers drop off
- **Driver acquisition:** own driver-side growth, from sourcing drivers to getting them through onboarding
- **Hiring and team:** interviewed and hired interns; manage a team of 5 and own their output on acquisition and marketing
- **Marketing:** co-created 4 reels that lifted average views per reel 27x and grew followers 5x in one week
- **Finance and compliance:** run analysis, valuation and investor outreach; keep every strategic step legally compliant

Loopdesk AI — Bengaluru, India
Go-to-Market Intern, AI SaaS — May 2026 – Aug 2026
- Interviewed 200+ customers in 12 weeks; the findings shaped which customer segment the company built for
- Built an outbound pipeline reaching 500+ prospects a day and dropped the segments that did not convert
- Grew monthly active users from under 10 to 200 in 3 months by refocusing on the right customer profile

reform — Bengaluru, India
Sales and Growth Intern, sustainable packaged water — Jul 2026 – Aug 2026
- Added ₹15L (~$15.7K) of annual run-rate in 4 weeks, taking reform from ₹10L (~$10.5K) to ₹25L (~$26K)
- Found that repeat orders drove the business; held reorder rate above 50%, and every client I brought in reordered

FillintheBlank.store — Bengaluru, India
Co-Founder, D2C brand — Aug 2025 – Nov 2025
- Built the brand to ₹1.5L+ (~$1.6K) revenue in 3 months and worked out the order value at which paid ads broke even
- Won B2B bulk orders that overtook D2C revenue

PROJECTS AND LEADERSHIP

Futtninja, football Instagram page — Aug 2019 – May 2023
- Grew the page to 1B+ impressions and 400K+ followers, all organic; sold it to a Barcelona media agency for ₹1L+ (~$1K)

Lakshya Capital, Independent Equity Research (listed-equity fund, ₹200 crore / ~$21M) — Aug 2026
- After a call with the founder, screened 20+ listed companies in specialty chemicals and China+1 manufacturing
- Assessed each on cash conversion, ROCE, working capital, tax rate and governance; wrote a memo and 2 due-diligence reports

Institute of Venture Building, Programme Manager and Student Mentor — Jun 2026 – Aug 2026
- Selected as 1 of 2 mentors from 9; took over as Programme Manager when the lead left mid-programme
- Ran a D2C business challenge for 14 student teams (50+ students) that made ₹25L+ (~$26K) in 2 months
- Reviewed each team's revenue and unit economics every week, and reallocated the ₹30K (~$315) grant per team

Student Mentor, Summer Programme, Mesa School of Business (1 of 9 selected) — Jul 2026
- Mentored 2 teams of 4 school students (ages 13 to 14) to ₹1.8L (~$1.9K) revenue in 12 days, with ~1,300 customers

ACHIEVEMENTS

- 1st place, Mesa AI Hackathon (₹20,000): built an MSME credit evaluator on invoice and payments data in 24 hours
