EDUCATION

Indian Institute of Management Bangalore (IIMB)

Bengaluru, India

Bachelor of Business Administration, Digital Business and Entrepreneurship

Sep 2025 – May 2028

- Average 71.2% to date (First Class). Coursework: Financial Statements, Management Accounting, Business Statistics, Spreadsheets for Business Decisions, Microeconomics

Mesa School of Business

Bengaluru, India

Undergraduate Programme in Entrepreneurship (concurrent)

Aug 2025 – Oct 2029

- GPA 3.78 / 4.00. Selective cohort of 100; having built a business is an admission requirement

PROFESSIONAL EXPERIENCE

Kyra

Bengaluru, India

Founding Member, women-led ride-hailing startup

Jan 2026 – Present

- Generated 500+ inbound leads and 100+ paying customers through organic channels with zero advertising spend
- Built the website and signup-funnel analytics, identifying the screens with the highest drop-off and prioritising fixes
- Advise the founder on product and operating priorities across operations and design

Loopdesk AI

Bengaluru, India

Go-to-Market Intern, AI SaaS

May 2026 – Aug 2026

- Conducted 200+ customer interviews in 12 weeks, informing product-market fit decisions with the founders
- Built an outbound pipeline from zero to 500+ prospects per day and cut non-converting segments
- Grew monthly active users from under 10 to 200 in three months by refocusing on the right customer profile

reform

Bengaluru, India

Intern, sustainable packaged water

Jul 2026 – Aug 2026

- Increased annual revenue run-rate from about ₹10L to ₹15L (about \$10.5K to \$15.7K, 1.5x) in four weeks through a sales pipeline I built and owned
- Identified reorder rate as the key driver of the business and built weekly tracking and reporting around it

Institute of Venture Building

Chennai, India

Programme Manager and Student Mentor

Jun 2026 – Aug 2026

- Ran a D2C business challenge end to end for 50+ student founders, contributing to ₹25L+ (about \$26K) in cohort revenue in two months
- Reviewed business models, unit economics and growth diagnostics weekly; reported team performance against defined KPIs

PROJECTS AND LEADERSHIP

Equity Screen for a ₹200 crore (about \$21M) Fund

- Independent project at the founder's invitation: analysed ten years of financial statements for 22 listed companies on cash conversion, capex intensity, working capital, effective tax rate and dilution; two companies passed the screen

FillintheBlank.store, Co-Founder

Aug 2025 – Nov 2025

- Built a D2C brand to ₹1.5L+ (about \$1.6K) revenue in three months; identified the order value at which paid acquisition broke even and won B2B bulk orders that overtook D2C revenue

Futtninja, Founder

Aug 2019 – May 2023

- Grew a football media page to 1B+ organic impressions over four years; sold to a Barcelona media agency for ₹1L+ (about \$1K)

Summer Programme Mentor, Mesa School of Business

2026

- One of nine mentors selected; led two founding teams to ₹1.8L (about \$1.9K) revenue in 12 days, with 1,300 customers at a 23% repeat rate

ACHIEVEMENTS

- 1st place, Mesa AI Hackathon (₹20,000, about \$210): four-person team built an MSME credit evaluator in 24 hours using invoice and payments data
- Winner, Mesa Idea Lab Sprint (₹15,000, about \$155, in funding), on the business case and market sizing
- 1st place, city-wide Ad-Mad Marketing Competition (inter-school)
- State Basketball Championship, school team
